

Immediate Opening

Family Services Director

Community Action of Eastern Iowa is searching for a dynamic individual to lead its new Family Services Division.

The Family Services Director will be responsible for supervision and implementation of the Family Development and Self-Sufficiency (FaDSS) program and for supervision of the Head Start family services component.

The successful candidate will have a Bachelor's degree in Social Work or a closely related field (Master's preferred). Must have previous supervisory experience; experience working with children and families; and experience with budgeting, grant writing, outcomes monitoring, and grant reporting.

\$53k+, depending on education and experience. Excellent benefits, including paid time off, the Iowa Public Employees Retirement System (IPERS), health insurance, dental insurance, vision insurance, life insurance, long term disability, confidential mental health counseling services, and student loan forgiveness participation.

The position is located in Davenport, Iowa. Services are provided predominantly during weekdays/daytime hours. Apply online, and upload a complete resume and cover letter at <https://www.caeiowa.org/find-jobs/>.

Community Action of Eastern Iowa is an equal opportunity employer.
