2021 CACFP Training Calendar

For the 2020-21 Fiscal Year, in-person trainings will be dependent on current COVID-19 circumstances and social distancing guidelines. Virtual training opportunities will be presented via Zoom, and online e-learning trainings are listed below. Additional online trainings not listed below may be pre-approved to fulfill requirements.

On-Line Training Opportunities:

- 1. Iowa State University Extension and Outreach: Safe Food for a Healthy Future: (2 hour credit) \$5 enrollment fee.** Discuss serving safe foods to children in your care to ensure child health. Register online through I-PoWeR. November 19, 6:30pm - or - November 21, 9:00am
- 2. Institute of Child Nutrition: CARE Connection: Serving Nutritious Foods in Child Care. (2 hour credit)** This course features key information for serving nutritious foods while in child care settings. Visit <https://theicn.org/cacfp> and click on the link for this course under "Online Courses." You will need to register on the site to take the course. Available anytime.
- 3. Mastering KidKare:** Virtual training via Zoom with CACFP staff on how to master record-keeping and menu planning using KidKare. Dates are TBD and will be sent via email. Register online through I-PoWeR.
- 4. Gardening with Children:** Working with providers to help children take an interest in gardening. Includes hands on planting and harvesting and other garden chores. Offered at the Davenport office locatin. Dates TBD in spring/summer 2020. Register online through I-PoWeR.
