

Iowa COVID-19 Response AmeriCorps Member Benefits 2020-2021

Term of Service:

AmeriCorps Members will serve one of the terms of service detailed below, dependent on the type and number of slots awarded to the Host Site.

Living Allowance:

Members will receive the living allowance associated with their term of service. The living allowance is paid in equal increments across the term of service. Members will receive payment every other week via direct deposit.

End of Service Benefit:

AmeriCorps members will receive a Segal Education Award when a term has been successfully completed. AmeriCorps members age 55 or older can transfer the education award to a child or grandchild.

Other Benefits:

Student loan deferment, forbearance or forgiveness opportunities are available depending on the type of student loan. It is the member's responsibility to obtain information about whether their loan(s) qualify for this benefit. This is not an automatic benefit of the program. Health insurance and childcare assistance are available for members meeting eligibility requirements.

Leave:

AmeriCorps terms of service are based on a total number of hours served. Sick or personal days are allowed; however, they impact the ability to earn the required service hours to successfully complete the term of service. Members who require sick time or have a schedule conflict must arrange with the host site for leave as needed. There are additional benefits offered if the member has a compelling personal circumstance.

Training and Professional Development:

AmeriCorps members receive training and professional development related to the knowledge and skills required for service, as well as training specific to the community the member serves. The member will receive an end of term evaluation.
